

Einführung Potenzen

Basis 10 → Zehnerpotenz

$$10 = 10^1$$

$$100 = 10 \star 10 = 10^2$$

$$1000 = 10 \star 10 \star 10 = 10^3$$

$$497000 = 497 \star 1000 = 497 \star 10^3$$
